

The Aims of the Hogsmill Forum

- Bring the network of Hogsmill volunteers together under one set of priorities
- Improve communication between the catchment partnership, statutory agencies and volunteers
- Support the long term development of river based voluntary work in the catchment

Priority Themes for the morning

- Flow- very low flows seen in 2017- is this indicative of longer term problems?
- Outfalls and storm tanks - what work is being done to tackle them ?
- RMI Trigger Breaches;
 - Middle Mill – Jan 2018,
 - Bonesgate June 2017,
 - Green lanes, Summer 2017
- Sediment- Bonesgate stream
